Out the Box Chocolates

On May 29th Swiss Chocolatier, Brigitte Linder, owner of Out the Box Chocolates, joined up with two other businesses in a new store called Ed's Unique Gifts, located at 5530 Kaye Street across from the Hydrostone Market. Brigitte Linder is originally from Switzerland and moved to Canada in 2001, where she settled in Montreal and worked for a Belgium Chocolatier until moving to Halifax in 2007. She soon decided she would begin her own Swiss Chocolate business and began selling her fine chocolates at the Dartmouth Farmers Market in February of 2008, where she can still be found every Saturday. In October of 2008 she expanded to the Hubbards Farmers Market and continues to go there every second Saturday. You can now get Brigitte's fine Swiss chocolates every day at Ed's Unique Gifts. Visit her online at www.outtheboxchocolates.ca.
